

“Energy Depot” accessible through this Website

This is a handy tool and source of information available to Westminster customers by its participation in Piedmont Municipal Power Agency. It is an online tool that evaluates energy usage from a consumer perspective. It can be accessed through this link: <http://www.westminstersc.org/energy-depot>.

Or you can navigate to it on this website by: *Utilities>Electric>Energy Depot* on the sidebar of the webpage. At the bottom of the Energy Depot page you can gain access to the services Energy Depot offers.
