At the November 15, 2022 City Council Meeting, staff brought forward a request to purchase a new garbage truck utilizing the installment purchase financing mechanism. A garbage truck is available if the City issues a Purchase Order by early-February. The first payment on the installment financing will be one year from the date the funds are received from the bank. The timing of the first payment allows the City Council and City staff to provide for funding in the FY2023-2024 Budget.

The attached ordinance includes financing for the garbage truck, closing costs and terms of the financing from Truist Bank. The purchase price for the garbage truck is \$294,946.20. financed at 4.01% for 8 years with annual payments between \$33,000-\$44,500. The USDA-RD issued a Letter of Conditions (LOC) for a loan of \$8,705,000 for water system improvements to the City. City Council approved a Resolution to accept the loan at its September 13, 2022 Regular Meeting. A requirement of USDA-RD loan is to obtain interim financing for the loan amount. A Bond Anticipation Note (BAN) is the mechanism by which the City may secure the interim financing. The City will use the funds from the BAN to pay for the construction of the water projects and then once construction is completed, the USDA-RD will provide its financing to close the BAN. From there, the City will begin the 40-year repayment of the loan to USDA-RD.

Upon final approval of this ordinance, referred to as the “BAN Ordinance,” staff and the city’s bond counsel, Burr & Forman, will solicit financial institutions for BAN funding proposals. The planned schedule is as follows.

(i) January 10	Second Reading of BAN Ordinance	City Council
(ii) January 11	Distribute BAN Request for Proposals	City; Burr & Forman
(iii) February 8	Receipt of BAN Bids; Acceptance	City; Burr & Forman

COOPERATIVE PURCHASING CONTRACTS: Cooperative purchasing contract such as NCSA, Sourcewell, etc. are a tool which satisfies the competitive bidding requirements for some municipalities. Amick Equipment (or its Body Manufacturer) are approved vendors on several contracts, authorized to offer awarded equipment according to each contract's terms and conditions. If a contract award included both body and chassis, then that contract clearly satisfies the bidding requirements for both body and chassis. Some of Amick's contracts were awarded for the body portion only. Upon request, Amick may offer a compatible chassis from another qualified contract holder or may offer a non-contract option.. Unless explicitly stated, customers shall not assume that any of the equipment quoted are being offered under a purchasing contract. It is up the purchaser to determine whether purchasing any items - both explicitly listed on the contract or not, are permitted by their organization's purchasing guidelines.

Dear Mr. Bronson:

Truist Bank ("Lender") is pleased to offer this proposal for the financing requested by the City of Westminster, SC ("Borrower").

TERM: 8 years

INTEREST RATE: 4.01%

TAX STATUS: Tax Exempt – Non-Bank Qualified

PAYMENTS: Interest: Annual
Principal: Annual

**INTEREST RATE

SECURITY: Vehicles and Equipment

**PREPAYMENT
TERMS:** Prepayable in whole at any time without penalty

**RATE
EXPIRATION:** January 17, 2023

**DOCUMENTATION/

FEE:** N/A

FUNDING: Proceeds will be deposited into an account held at Lender pending disbursement unless equipment is delivered prior to closing.

DOCUMENTATION: Lender proposes to use its standard form financing contracts and related documents for this installment financing. We shall provide a sample of those documents to you should Lender be the successful proposer.

The financing documents shall include provisions that will outline appropriate changes to be implemented in the event that this transaction is determined to be taxable in accordance with the Internal Revenue Service Code. All documentation must be deemed appropriate by Lender before closing.

**REPORTING
REQUIREMENTS:**

Lender will require financial statements to be delivered within 270 days after the conclusion of each fiscal year-end throughout the term of the financing.

Should we become the successful proposer, we have attached the form of a resolution that your governing board can use to award the financing to Lender. If your board adopts this resolution, then Lender shall not require any further board action prior to closing the transaction.

Lender shall have the right to cancel this offer by notifying the Borrower of its election to do so (whether this offer has previously been accepted by the Borrower) if at any time prior to the closing there is a material adverse change in the Borrower's financial condition, if we discover adverse circumstances of which we are currently unaware, if we are unable to agree on acceptable documentation with the Borrower or if there is a change in law (or proposed change in law) that changes the economic effect of this financing to Lender.

Costs of counsel for the Borrower and any other costs will be the responsibility of the Borrower.

The stated interest rate assumes that the Borrower expects to borrow more than \$10,000,000 in the current calendar year and that the financing will qualify as tax-exempt financing under the Internal Revenue Code. Lender reserves the right to terminate this bid or to negotiate a mutually acceptable interest rate if the financing is not tax-exempt financing.

We appreciate the opportunity to offer this financing proposal. Please call me at (803) 251-1328 with your questions and comments. We look forward to hearing from you.

Sincerely,

Truist Bank

Section 2. Findings and Determinations. The City Council hereby finds and determines:

(a) The City is an incorporated municipality located in Oconee County, South Carolina, and as such has all powers granted to municipalities by the Constitution and general laws of this State, including the power to possess and operate a combined waterworks, sewer and electric distribution system.

(b) The System is operated under the direction of Commission of Public Works of the City (the “Commission”), and, pursuant to Section 5-31-230(e) of the S.C. Code, the duties, powers and responsibilities of the Commission devolved upon the City Council of the City on July 1, 2005. The System serves persons residing within the boundaries of the City and in certain territory adjacent thereto.

(c) The City Council has determined that it is in the best interest of the City to undertake the 2023 Project which will become part of the System.

(d) The BAN Act provides that any borrower, the definition of which includes the City, whenever authorized by general or special law to issue bonds, may, pending the sale and issuance thereof, borrow in anticipation of the receipt of the proceeds of such bonds and evidence the debt by a note or notes. The BAN Act further provides that notes issued pursuant thereto may from time to time be renewed or refunded.

(e) The BANS are designated as a “Junior Bond” as such term is defined in the General Bond Ordinance. As of the date of enactment of this Ordinance, there are no Senior Lien Bonds outstanding under the General Bond Ordinance. The City covenants not to issue any Senior Lien Bonds while any BANS authorized herein are outstanding without the prior written consent of the holders of all BANS then outstanding. In the event such written consent is obtained, the lien upon and pledge of the Net Revenues for the payment and security of the BANS will be subordinate and inferior to the lien upon and pledge of the Net Revenues for the payment and security of such Senior Lien Bonds.

(f) Pursuant to the authority of this Ordinance and the BAN Act, the City intends to issue the BANS. The proceeds of the BANS shall be used to: (i) refund all or a portion of the principal of and interest due on any previously issued BANS in connection with the 2023 Project, if applicable; (ii) defray the Costs of Acquisition and Construction of the 2023 Project, and (iii) pay Costs of Issuance of the BANS. The Costs of Acquisition and Construction of the 2023 Project are estimated to be \$8,705,000 to be financed with a Rural Utilities Services loan from Rural Development in the amount of \$8,705,000.

(g) As set forth in its letter of conditions dated August 3, 2022, Rural Development will, upon compliance by the City with certain terms and conditions, purchase the Revenue Bond of the City in the aggregate principal amount of \$8,705,000. Pending the issuance and sale of the Revenue Bond, it is in the best interest of the City to provide for the issuance of the BANS in the aggregate principal amount of not exceeding \$8,705,000 in anticipation of the issuance of the Revenue Bond and the receipt of the proceeds thereof.

(h) The BANS will be issued in anticipation of the Revenue Bond to be issued pursuant the General Bond Ordinance and a Supplemental Ordinance, and for the purposes for which such Revenue Bond is authorized.

(i) It is in the best interest of the City to provide for the issuance of BANS, in one or more series, in the principal amount of not exceeding \$8,705,000 in anticipation of the issuance of the Revenue Bond and the receipt of the proceeds thereof.

Section 3. Authorization of the 2023 Project. There is hereby approved and authorized the undertaking of the 2023 Project. The City hereby finds that the 2023 Project when completed shall constitute and be operated as an integral part of the System.

Section 4. Authorization of Revenue Bond. The City Council irrevocably obligates and binds the City to effect the issuance of the Revenue Bond in the aggregate principal amount of not exceeding \$8,705,000 prior to the stated maturity of each of the series of BANS authorized by this Ordinance, the proceeds of which shall be used to meet the payment of principal and, if necessary, interest on the each series of BANS. This provision shall constitute a covenant between the City and the Purchaser of each series of BANS issued pursuant to this Ordinance. Nothing herein shall prohibit the City from renewing or refunding the BANS.

Section 5. Authorization of BANS.

(a) Pursuant to the provisions of BAN Act, and for the purpose of paying the costs of the 2023 Project, including, without limitation, engineering, financial and legal fees and costs, there is hereby authorized to be issued the BANS, in one or more series, in the aggregate principal amount of not exceeding \$8,705,000 pending and in anticipation of the sale and issuance of the Revenue Bond.

(b) The BANS shall be in fully registered form, registered in the name of the respective initial Purchaser thereof; shall be dated as of the date of their initial delivery; shall be in the denomination as determined by the Mayor or City Administrator; shall be numbered as determined by the Registrar; shall bear interest (calculated, unless otherwise specified by the proposal of the initial Purchaser thereof, on the basis of a 360-day year comprised of twelve 30-day months) from its date at a rate of interest (which may be a variable rate of interest) approved by the Mayor or City Administrator; and, in accordance with Section 11-17-20 of the BAN Act, mature not later than three years from its initial date. The BANS may be structured so that the principal amount thereof is funded on a draw-down basis, or so that the principal amount thereof is fully funded on the date of issue.

(c) Both the principal of and interest on the BANS shall be payable to the respective Purchasers thereof in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts. Principal of and interest on each series of the BANS shall be payable at the office of the Paying Agent. The Paying Agent shall be the City Clerk of the City.

(d) Bond anticipation notes ("Refunding BANS") may be issued to refund the outstanding principal of and, if necessary, accrued interest on the outstanding BANS issued pursuant to this Ordinance (the "BANS to be Refunded"). In the event the City issues one or more series of Refunding BANS, the principal amount of the BANS to be Refunded shall not be included when calculating the aggregate principal amount of the BANS issued pursuant to this Ordinance.

Section 6. Redemption Provisions. Without further authorization, the Mayor or the City Administrator are authorized to determine the redemption provisions applicable to each series of the BANS and to determine whether a redemption premium will be paid by the City in the event of a redemption of each series of the BANS.

Section 7. Authority to Determine Certain Matters Relating to the BANS. The City Council hereby authorizes the Mayor or City Administrator to determine the date and time of sale of each series of the BANS. The City Council hereby further authorizes to the Mayor (or in his absence, the Mayor Pro Tempore) or the City Administrator to:

- (a) determine the original issue date of each series of BANS;
- (b) determine the aggregate principal amount of each series of BANS to be issued if less than authorized by this Ordinance, and determine whether the principal amount of a series of BANS shall be funded on a draw-down basis, or fully funded on the date of issue;
- (c) determine the maturity date of each series of BANS;
- (d) designate the Paying Agent and Registrar for each series of BANS if different from that set forth herein;
- (e) approve the form of one or more Requests for Proposals under which the respective BANS will be offered for sale by private placement with one or more banks or financial institutions and receive bids for each series of BANS on behalf of the City and award the sale of each series of BANS to the bidder which provides the most advantageous proposal therefor in accordance with the terms of the Request for Proposals for each series of BANS; or, in the alternative, negotiate the sale of any of the BANS to one or more banks or financial institutions;
- (f) determine the interest rate (which may be a variable rate) for each series of BANS;

(g) determine whether and when to issue any Refunding BANS to refund the outstanding principal of and, if necessary, pay any redemption premium and accrued interest on any BANS to be Refunded;

(h) determine whether any BANS shall be designated as a “qualified tax-exempt obligation” as defined in the Code;

(i) negotiate and execute all other contracts and approve any other matters necessary to effect the issuance of each series of BANS; and

(j) approve, determine or execute any other matters, agreements, documents or certificates necessary to effect the issuance of each series of BANS.

After the sale of each series of BANS, the Mayor or the City Administrator shall submit a written report to the City Council setting forth the results of the sale of each series of BANS.

Section 8. Execution of BANS. Each series of BANS shall be executed in the name of the City with the manual or facsimile signature of the Mayor (or in his absence the Mayor Pro-Tempore) attested by the manual or facsimile signature of the City Clerk of the City with the seal of the City impressed or affixed thereon. Each series of BANS shall be issued in substantially the form attached hereto as Exhibit A.

Section 9. Books of Registry. The City shall cause the Books of Registry to be kept at the offices of the Registrar for the registration and transfer of each series of BANS. Upon presentation at its office for such purpose, the Registrar shall register or transfer, or cause to be registered or transferred, on such Books of Registry, each series of BANS under such reasonable regulations as the Registrar may prescribe.

Each series of BANS shall be transferable only upon the Books of Registry of the City by the Purchaser in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the Purchaser or his duly authorized attorney. Upon the transfer of each series of BANS, the Registrar on behalf of the City shall issue in the name of the transferee a new fully registered BAN of the same aggregate principal amount, interest rate and maturity as the surrendered BAN. Any such BAN surrendered in exchange for a new registered BAN pursuant to this Section shall be canceled by the Registrar.

The City, the Registrar and the Paying Agent may deem or treat the person in whose name any fully registered each series of BANS shall be registered upon the Books of Registry as the absolute owner of each series of BANS, whether such series of BANS shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such series of BANS and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such series of BANS to the extent of the sum or sums so paid, and neither the City nor the Registrar nor the Paying Agent shall be affected by any notice to the contrary.

With the consent of the initial Purchaser of each series of BANS, and notwithstanding any provision to the contrary contained in this Ordinance or in each series of BANS, each series of BANS may be sold or transferred by the initial Purchaser thereof only to Purchasers who execute an investment letter delivered to the City, in form satisfactory to the City, containing certain representations, warranties and covenants as to the suitability of such Purchasers to purchase and hold each series of BANS. Such restrictions shall be set forth on the face of each series of BANS and shall be complied with by each transferee of each series of BANS.

Section 10. Payment of BANS. For the payment of the principal of and interest on each series of BANS as the same mature, there are hereby pledged the proceeds of the Revenue Bond. The City also hereby pledges the Net Revenues of the System for the payment of such principal and interest. The City

covenants herein not to issue any Senior Lien Bonds while any BANS authorized herein are outstanding without the prior written consent of the holders of all BANS then outstanding. In the event such written consent is obtained, the lien upon and pledge of the Net Revenues for the payment and security of the BANS will be subordinate and inferior to the lien upon and pledge of the Net Revenues for the payment and security of such Senior Lien Bonds.

Section 11. Defeasance. The obligations of the City under this Ordinance and the pledges, covenants and agreements of the City herein made or provided for shall be fully discharged and satisfied as to each series of BANS, and such series of BANS shall no longer be deemed to be outstanding hereunder when:

(a) such BANS shall have been purchased by the City and surrendered to the City for cancellation or otherwise surrendered to the City or the Paying Agent and is canceled or subject to cancellation by the City or the Paying Agent; or

(b) payment of the principal of and interest on each series of BANS either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Paying Agent or a bank as escrow agent in trust and irrevocably setting aside exclusively for such payment, (1) moneys sufficient to make such payment, or (2) Government Obligations maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment and all necessary and proper fees, compensation and expenses of the Paying Agent or the escrow agent. At such time as each series of BANS shall no longer be deemed to be outstanding hereunder, each series of BANS shall cease to draw interest from the due date thereof and, except for the purposes of any such payment from such moneys or Government Obligations as set forth in (ii) above, shall no longer be secured by or entitled to the benefits of this Ordinance.

Section 12. Disposition of Proceeds of BANS. The proceeds derived from the sale of each series of BANS shall be used to: (i) refund all or a portion of the principal of, redemption premium and interest due on any previously issued and outstanding BANS, if applicable; (ii) defray the Costs of Acquisition and Construction of the 2023 Project, and (iii) pay Costs of Issuance of the BANS. The respective amounts to be applied as set forth in the preceding sentence shall be determined by the City upon the delivery of the applicable series of BANS.

There is hereby authorized to be established one or more construction accounts (with an appropriate series designation, if necessary) in connection with the BANS (the "Construction Accounts"). The Construction Accounts shall be held by a Custodian. The moneys on deposit in the Construction Accounts shall be invested in Permitted Investments and shall be used and applied to the payment of the Costs of Acquisition and Construction of the 2023 Project and to the payment of the Costs of Issuance of the BANS. Withdrawals from the Construction Accounts shall be made in the manner withdrawals from other funds of the City are made and in accordance with applicable rules and regulations of Rural Development.

Section 13. Covenants of the City; Incorporation of Portions of General Bond Ordinance. The City hereby covenants with the respective Purchaser of each series of BANS, as follows:

(a) The City will not issue any Senior Lien Bonds while any BANS authorized herein are outstanding without the prior written consent of the holders of all BANS then outstanding. Only in the event such written consent is obtained shall the lien upon and pledge of the Net Revenues for the payment and security of the BANS be subordinate and inferior to the lien upon and pledge of the Net Revenues for the payment and security of such Senior Lien Bonds.

(b) The City will attempt to sell on or before the maturity date of each series of BANS a Revenue Bond, the proceeds of which shall be sufficient for the payment of, and shall be used to pay, the principal of and, if necessary, interest on each series of BANS or the City will renew or refund each series of BANS.

(b) The City covenants that it has not issued, nor will it cause to be issued, any notes or certificates of indebtedness of any type in anticipation of the issuance of the Revenue Bond, except each series of BANS authorized by this Ordinance (including any refunding or renewal thereof); provided, however, the City may issue additional bond anticipation notes which are junior, subordinate and inferior to each series of BANS authorized by this Ordinance.

All of the provisions of the General Bond Ordinance shall be applicable to the each series of BANS as a Junior Bond and are made a part hereof for the benefit and security of the holders thereof as through fully set forth herein, including without limiting the generality of the foregoing, all provisions of the General Bond Ordinance relating to books, accounts and audits; insurance; sale, lease or encumbrance of the System; the rate covenant set forth in Section 7.1 of the General Bond Ordinance; other general covenants; the terms and conditions upon which the General Bond Ordinance may be modified; and the Events of Default and consequences thereof.

Section 14. Federal Tax Covenant. The City hereby covenants and agrees with the holder of the each series of BANS that it will not take any action which will, or fail to take any action which failure will, cause interest on each series of BANS to become includable in the gross income of the holder thereof for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original issuance of each series of BANS; and no use of the proceeds of each series of BANS shall be made which, if such use had been reasonably expected on the date of issue of each series of BANS would have caused each series of BANS to be an “arbitrage bond,” as defined in the Code; and to that end the City hereby shall:

(a) comply with the applicable provisions of Section 103 and Sections 141 through 150 of the Code and any regulations promulgated thereunder so long as each series of BANS is outstanding;

(b) establish such funds, make such calculations and pay such amounts in the manner and at the times required in order to comply with the requirements of the Code relating to required rebates, if any, of certain amounts to the United States; and

(c) make such reports of such information at the times and places required by the Code.

The City Administrator is hereby authorized to adopt written procedures to ensure the City’s compliance with federal tax matters relating to each series of BANS.

Section 15. Designation of BANS as Bank Qualified. To the extent that a series of BANS is designated as a “qualified tax-exempt obligation” under the Code: (a) the City covenants that the City and all subordinate entities thereof do not anticipate to issue more than \$10,000,000 (or the applicable limitation in effect at the time of issuance of such BANS) in tax-exempt bonds or other tax-exempt obligations in the calendar year in which each series of BANS is issued (other than private activity bonds) except for qualified 501(c)(3) bonds; and (b) the City represents that the sum of all tax-exempt obligations (other than private activity bonds) issued by the City and all subordinate entities thereof during the calendar year in which each series of BANS is issued is not reasonably expected to exceed \$10,000,000 (or the applicable limitation in effect at the time of issuance of such BANS).

Section 16. Exemption from State Taxes. Both the principal of and interest on each series of BANS shall in accordance with the provisions of Section 12-2-50 of the S.C. Code, be exempt from all State,

county, municipal, school district, and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

Section 17. Filings with Central Repository. So long as and to the extent required pursuant to Section 11-1-85 of the S.C. Code ("Section 11-1-85"), the City covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of the annual audit of the within thirty (30) days of the City's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, relevant information of an event which, in the opinion of the City, adversely affects more than five percent (5%) of the Revenues of the System or the City's tax base.

The only remedy for failure by the City to comply with the above covenant shall be an action for specific performance of this covenant; and failure to comply shall not constitute a default or an "Event of Default" under the General Bond Ordinance or an event of default under this Ordinance. The City specifically reserves the right to amend or delete this covenant in order to reflect any change in Section 11-1-85, without the consent of the Purchaser.

Section 18. General Authorizations. The Mayor, Mayor Pro-Tempore, City Administrator, and City Clerk of the City are hereby authorized and directed to take any and all such further actions as shall be deemed necessary or desirable in order to effectuate issuance of each series of BANS and to carry out the intentions of this Ordinance.

Section 19. Benefits of Ordinances Limited to the City and Purchaser of the BANS. With the exception of rights or benefits herein expressly conferred, nothing expressed or mentioned in or to be implied from this Ordinance or the BANS is intended or should be construed to confer upon or give to any person other than the City or holder of the BANS any legal or equitable right, remedy or claim under or by reason of or in respect to the Ordinance or any covenant, condition, stipulation, promise, agreement or provision therein or herein contained. The Ordinance and all of the covenants, conditions, stipulations, promises, agreements and provisions contained therein are intended to be and shall be for and inure to the sole and exclusive benefit of the City and the respective holders of each series of BANS from time to time as therein provided.

Section 20. Ordinance Binding Upon Successors or Assigns of the City. All the terms, provisions, conditions, covenants, warranties and agreements contained in this Ordinance shall be binding upon the successors and assigns of the City and shall inure to the benefit of the holders of the BANS.

Section 21. No Personal Liability. No recourse shall be had for the enforcement of any obligation, covenant, promise or agreement of the City contained in this Ordinance or each series of BANS against any member of the City Council or any officer or employee of the City, as such, in his or her individual capacity, past, present or future, of the City, either directly or through the City, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, it being expressly agreed and understood that this Ordinance and each series of BANS are solely corporate obligations, and that no personal liability whatsoever shall attach to, or be incurred by, any member, officer or employee as such past, present or future, of the City, either directly or by reason of any of the obligations, covenants, promises, or agreements entered into between the City or any holder of each series of BANS or to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against every such member, officer and employee is, by the enactment of this Ordinance and the execution of each series of BANS, and as a condition of, and as a part of the consideration for, the enactment of this Ordinance and the execution of each series of BANS, expressly waived and released. The immunity of members of City Council and officers and employees of the City under the provisions contained in this Section 21 shall survive the termination of this Ordinance.

Section 22. Law and Place of Enforcement of the Ordinances. This Ordinance shall be construed and interpreted in accordance with the laws of the State, and all suits and actions arising out of this Ordinance shall be instituted in a court of competent jurisdiction in the State.

An organization must substantiate its credibility with financial history. The most recent financial report, IRS tax forms, or financial audit information are required.

Eligible organizations must show involvement in one or more of the following:

- Tourism Related Event: promotion of the arts and cultural events;
- Tourism Related Facilities: construction, maintenance, and operation of facilities for civic and cultural activities including construction and maintenance of access and other nearby roads and utilities for the facilities

Certain Tourism-related grants are awarded on a “percentage of tourism” basis. Applicants must be able to substantiate how much of the total expenditure is related to tourism, and must be able to provide the “percentage of tourism” to the total budget of the project.
