

CITY OF WESTMINSTER, SOUTH CAROLINA

POSITION DESCRIPTION

WATER PLANT OPERATOR "C"

\$34,710.07-\$45,123.08/YEAR

GENERAL

Employees in this position will perform a variety of semi-skilled and skilled tasks in the operation and maintenance of the Water Treatment Plant. When necessary, the employee may perform other duties outside of the Water Treatment Plant such as collecting water samples or responding to complaints related to water quality.

Employees in this position will generally report to the Water Treatment Plant Supervisor.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Employees in this position shall:

- Collect water samples, both inside and outside of the Water Treatment Plant, and perform routine tests on the collected water samples.
- Follow all prescribed testing protocol maintaining the integrity of the samples and the test results.
- Record and maintain accurate records of all testing performed and compiling other recordkeeping and reports as necessary.
- Maintain plant and lab equipment through standard preventive maintenance practices including washing of filters, adding filter media as warranted, changing oil, and greasing pumps.
- Add chemicals to day tanks, log the respective reading, inspect the pumps for leaks, and monitor levels of chemical inventories.
- Inventory and stock shelves while requisitioning supplies as warranted.
- Adheres to all laws and regulations as set forth by the Federal and State Safe Drinking Water Act, EPA, and DHEC.
- Inspect and/or repair pumps, valves, reservoirs, meters, and other equipment, infrastructure, or appurtenances to ensure the proper operation and a timely discovery of associated problems.

- Maintain a variety of records relating to inspections, maintenance activity, water supply, consumption, etc.
- Ensure the proper maintenance of equipment and tools by cleaning and inspecting equipment after use.
- Perform routine inspection and preventive maintenance on assigned equipment and refer defects or needed repairs to supervisor.
- Assist crew personnel as warranted with any cutting, fitting, installation, cleaning/flushing and repairs of water mains and system appurtenances.
- Operate a variety of construction and maintenance equipment used in the water treatment plant.
- Serve on various employee committees or other committees as assigned.
- Not abuse any City vehicles or equipment ensuring only normal wear.
- Maintain as current and not let expire any and all required licenses and certifications.
- Abide by all City policies.
- Perform other duties as assigned.

SAFETY

It is the responsibility of each employee to comply with established policies, procedures and safe work practices. Each employee must follow safety training and instructions provided by their supervisor. Each employee must also properly wear and maintain all personal protective equipment required for their job. Finally, each employee must immediately report any unsafe work practices or unsafe conditions as well as any on-the-job injuries or illnesses. All operators shall:

- Handle hazardous materials safely and with full knowledge of the potential dangers associated with the chemicals used on the job.
- Inform the proper authorities in the event of a chemical spill, assisting in the containment and evaluation of the impact of the spill.

MINIMUM QUALIFICATIONS

- Education and Experience

- o Graduation from High School or G.E.D. equivalent
- Knowledge and Skills
 - o Basic knowledge of hand tools
 - o Ability to perform heavy manual work for extended periods of time and in adverse weather conditions.
 - o Ability to establish and maintain effective working relationships with supervisors, fellow employees, and the public.
 - o Ability to communicate effectively verbally and in writing.
 - o Ability to understand and carry out written and oral instructions.

SPECIAL REQUIREMENTS

- Possess and maintain a valid "C" Water Treatment Operator Certification through SCLLR and possess and maintain a valid South Carolina vehicle driver's license.
- Have a home telephone, cellular or land line, for employee to contact the workplace and the workplace to contact the employee.
- Be willing to rotate designation of being "on-call" whereby mobility is restricted and the employee is subject to be called in to work on emergency situations.
