

Administrator's report Kevin Bronson OFFICE OF THE CITY Administrator WESTMINSTER, SOUTH CAROLINA

October 25, 2024

## **GENERAL INFORMATION**

#### **Recreation Planning Committee**

The Recreation Planning Committee met October 22, 2024. The Committee unanimously voted to recommend the City Council approve the Mammoth Construction Contract. The draft meeting minutes are attached.

#### WP Anderson Park Renovation Project

<u>There will be a groundbreaking ceremony for the project on Saturday, October 26, 2024 at 11:30 am.</u> A hot dog lunch will be provided for those who attend. A flyer is attached.

## This Week in Rec: An Update from Recreation Director Herb Poole

- Basketball registration is open online and in person until November 1.
- Westminster Rec will host the 12U and 14U Volleyball County Tournament. The Westminster 10U team will be play in the 10U tournament in Seneca.
- Fall sports regular seasons have concluded. End of season tournaments and all star will continue for the coming weeks.
- Westminster will host the 10-U Soccer Western District All Star Tournament from November 7 to 14.
- FoodShare Pickup was last Wednesday. Orders for the next pickup on November 6 are due on October 31.

#### **SCIIP Sewer Project**

McClam and Associates continue to clear and stake the project site (portions of Mimosa, Spring, Bryson Streets and surrounding areas). This week, silt fencing installation began on Spring Street and pre-cast concrete manholes were delivered to the site. Right of Way clearing is complete at Crooked Street. Pictures of the project area are attached.

#### **Heirloom Farms**

Contractors continue to install sewer lines for the Heirloom Farms subdivision. Approximately 1300 feet of pipe has already been installed and the contractors are awaiting materials to cross wetland areas.

## Long Creek Highway Chauga River Bridge Water Lines (report from Public Works Director Kevin Harbin)

Staff is in regular contact with Mark Attaway, senior project manager with SCDOT on the 76/Chauga bridge replacement. This project was being fast-tracked by the SCDOT. They still plan to complete within the 270-day time frame that federal funding mandates. DOT has agreed to design the new bridge

to accommodate a 10" water line instead of the 8" that was installed during the USDA project that just wrapped up. the city should be eligible for complete reimbursement of the cost of replacement of the 8" line. The city may need to pay the difference to go to the 10" line. Staff remain in contact and will continue to provide updates to City Council and the Public as available.

#### Westminster Planning Commission

The Planning Commission meeting scheduled for October 21 was cancelled due to a lack of quorum. Currently, there is no makeup meeting scheduled. The Planning Commission will meet next on November 18, 2024.

#### **OJRSA**

The Operation & Planning Committee met on October 16, 2024, the draft minutes are attached. The OJRSA Finance & Administration Committee met October 22, at 9:00 am, the draft minutes are attached.

#### **PMPA**

The PMPA Board held a multi-day Planning Meeting October 23-25, 2024 in Flat Rock, NC. The agenda is attached. The majority of discussions and planning revolved around plans for a new Supplemental Power Supply Contract and a new Catawba Project Power Sales Agreement. These two contracts determine the obligations and future costs of PMPA wholesale electricity.

#### PLEASE MARK YOUR CALENDARS

October 28, 2024 at 5:00 pm Special Called Westminster City Council Meeting at Westminster City Hall

November 4, 2024 at 4:00 pm OJRSA Board Meeting at OJRSA November 11, 2024 – City Offices closed to observe Veterans Day November 12, 2024 at 6:00 pm Westminster City Council Meeting at the Westminster Fire Department November 18, 2024 at 6:00 pm Westminster Planning Commission Meeting at City Hall November 20, 2024 at 8:30 am Operations & Planning Committee at OJRSA November 26, 2024 at 9:00 am Finance & Administration Committee at OJRSA November 28 & 29, 2024 – City Offices closed to observe Thanksgiving

November 12, 2024	6:00 PM		

#### **Special Events Calendar**

October 26, 2024 Music on Main- Downtown Westminster

(5-9pm free concert on Main Street)

October 26, 2024 Anderson Park Renovation Ribbon Cutting (11:30am at Anderson Park (behind Park Place). Hot Dogs will be served. A flyer is attached.)

#### October 31, 2024 Boo on Main - Downtown Westminster

(5-7pm on Main Street, The City Police Department will provide candy with downtown businesses.)

#### December 6, 2024 at 12:00 pm Arbor Day Celebration

(more details to come)

#### December 6, 2024 at 6:00 PM – Westminster Christmas Parade and Tree Lighting

(more details to come, rain makeup scheduled for December 13)

## **CITY OF WESTMINSTER RECREATION PLANNING COMMITTEE MEETING**

#### DRAFT MINUTES October 22, 2024 @ 4:00 PM Westminster City Hall 100 E Windsor Street, Westminster, SC

Present: Adam Dunn, Suzette Snedigar, Brian Ramey, Steve Grogan, Herb Poole

Staff: Kevin Bronson (City Administrator), Reagan Osbon (Assistant City Administrator)

Others Present: Dick Mangrum (WGOG), Andrea Kelley (The Journal), Audrey Reese\*, Ruth May\*, Daby Snipes\*

\*Members of City Council present but did not participate in the meeting

Absent Members: Chester Lee, Kelley Boone

- 1. Call to Order- Called to Order at 4:04pm by Ramey
- 2. Consideration of October 15, 2024 Meeting Minutes Dunn moved to approve, seconded by Grogan. Approved 5-0.
- 3. Consideration of an Executive Session for the purpose of discussion of negotiations incident to proposed contractual arrangements and proposed sale or purchase of property, the receipt of legal advice where the legal advice relates to a pending, threatened, or potential claim or other matters covered by the attorney-client privilege, settlement of legal claims, or the position of the public agency in other adversary situations involving the assertion against the agency of a claim pursuant to S.C. Code Ann. 34-4-70 (2).

This executive session, if entered into by the Committee, is for a discussion for a potential contractual agreement between the City which the Committee represents and Mammoth Sports Construction for the construction of the Hall Street Recreation Complex (aka Westminster Recreation Complex). The Committee may also elect not to go into executive session.

Bronson explained that Mammoth would join the call at 4:15.

Requested that emails indicating support to move forward on the project from Boone and Lee be entered into the record. (Entered without objection and attached).

Dunn moved to enter the executive session, seconded by Grogan. Approved 5-0.

The Committee returned from Executive Session.

 Consideration of a recommendation to Westminster City Council for a construction contract between the City and Mammoth Sports Construction, LLC.
 Dunn moved to recommend the Construction Contract to City Council, seconded by Snedigar. Approved 5-0.

- 5. Committee Member Discussion No further discussion.
- 6. Adjourn Grogan moved to adjourn, seconded by Snedigar. Approved 5-0.

Hi Kevin,

I do not plan on coming to the meeting tomorrow. Please know that I support moving forward with Mammoth. My vote would be yes. This is a huge step in moving forward with our end goal in mind.

Thank you!

# OCONEE JOINT REGIONAL SEWER AUTHORITY

#### Operations & Planning Committee October 16, 2024

The Operations & Planning Committee meeting was held at the Coneross Creek Wastewater Treatment Plant.

Commissioners that were present:

- Seat 1 (Seneca): Bob Faires, III (Committee Chairman)
- Seat 3 (Seneca): Scott McLane
- Seat 6 (Walhalla): Scott Parris
- Seat 9 (Walhalla & Westminster): David Dial

Commissioners that were not present:

• None. All Commissioners were in attendance.

OJRSA appointments and staff present were:

- Lynn Stephens, Secretary/Treasurer to the Board and Office Manager
- Chris Eleazer, Executive Director
- Kyle Lindsay, Operations Director

Others present were:

• None.

A) Call to Order - Mr. Faires called the meeting to order at 8:36 a.m.

B) Public Session - None.

## C) Presentation and Discussion Items:

• Update on Current Projects (Exhibit A) – Mr. Eleazer reported that he and Mr. Lindsay are currently preparing bid packets for a number of the projects.

The Director stated that the Appalachian Council of Governments (ACOG) and the Rural Infrastructure Authority (RIA) have both approved the language in the contract for the Consent Order Rehabilitation 2023 Construction Project. The board pre-authorized the Director to execute the contract upon that approval, so there should be movement on this project in the next couple of days which will allow for a schedule to be developed; however, the OJRSA has been asked to wait until after the new year to begin the project, because it is in an area where people will deer hunt, and the OJRSA is fine with that.

There was an online meeting last week about the Dewatering Project. Being that it is now known what the OJRSA has left in the SCIIP grant money, the OJRSA should be able to do the Collection System and the Dewatering projects with the allocated grant funds. The Dewatering Project will be in the \$3.6-\$3.7 million range.

Mr. Eleazer stated he reviewed and approved the Exit 4 project drawings by Thomas & Hutton. He is waiting on Oconee County to draft a letter that states they intend to own the line which will go with a letter from the OJRSA stating that it will treat the wastewater from that project to be submitted to SC Department of Environmental Services (SCDES) with the construction permit application. Mr. Dial asked about where the funding for this project was coming from; Mr. Eleazer said he didn't know as this was done through Oconee County. Mr. Dial asked what Mr. Eleazer estimates the project to cost; Mr. Eleazer replied there are no bodies of water being crossed, and as long as not hitting rock, it will be a simple project, but he didn't know what it would cost.

The Flat Rock Pump Station (now known as Duck Pond Road Pump Station) project is now complete. Mr. Eleazer stated he will leave completed projects on the projects list for a couple months after completion and then remove them. Mr. Lindsay was asked how the new pump station was doing, and he replied that everything is running well. Mr. Eleazer added that the OJRSA will have to do something with the gravity trunklines, as the station was inundated with water upstream from the hurricane which popped at least one of the manhole covers and shifted the concrete flat top cover to where it had to be reset and resealed.

The Director stated he and Mr. John Reynolds of Davis & Floyd went to the Sewer South Phase II site yesterday and looked it over. There are a few punch list items that need to be addressed, including water getting in the pump station originating from a sunken manhole, but otherwise everything looks good. Mr. Eleazer is expecting to get the SCDES Permit to Operate by the end of the month. Mr. Dial asked if the work at the Welcome Center will affect getting the permit; Mr. Eleazer said no and explained how the Welcome Center work will progress.

Mr. Faires asked if the OJRSA has heard when the work on the force main at Seneca Creek is going to start. Mr. Eleazer replied that it should be sometime this month. Mr. Faires asked if it was going to be the same project since Paw's Diner shut down; Mr. Eleazer did not know. Mr. McLane added that he had a message from Mr. Al Shadwick of Cross Creek asking when they were starting as well.

- D) Action Items to Recommend to the Board for Consideration None.
- E) Executive Director's Discussion and Compliance Concerns The Executive Director reported on the following:
  - 1. Environmental and Regulatory Compliance There have been no issues since the last meeting.
  - Satellite Sewer System Corrective Action Plans Mr. Eleazer made a request to the Committee members to please remove their "City Hat" and only wear their "OJRSA Hat" when discussing anything regarding items 2 and 3.

Mr. Faires asked if the OJRSA received the Corrective Action Plans from all the Member Cities. Mr. Eleazer replied he received them from Seneca and Westminster, but he hasn't received Walhalla's yet. He said that Ms. Allison McCullough (OJRSA Regulatory Services Coordinator) emailed Walhalla this morning asking for a status update. Mr. Faires asked if Walhalla was working on it. Mr. Eleazer didn't know. He asked Ms. McCullough to come to the boardroom and asked her, but she didn't know either and stated that she emailed them this morning. Mr. Faires said that they may need guidance since Mr. Parris is no longer there; Mr. Parris mentioned that Walhalla hired a new Utilities Director named Mr. Laramie Hinkle.

Mr. Eleazer stated that the OJRSA has not reviewed the Corrective Action Plans that were received yet but will be going over them in the next few weeks. Afterwards, there will be a meeting to discuss reducing inflow and infiltration.

3. Wexford/Davis Creek Road Odor and Hydrogen Sulfide Issues – The Homeowners Association of the Wexford Subdivision reached out a month ago to the OJRSA, the City of Seneca, and Senator Thomas Alexander to see what could be done about the sewer odor in the subdivision. Mr. Eleazer reported he attended a meeting they had last Tuesday evening and reached out to Seneca Light & Water (SL&W) to attend it as well. Some of the owners were mad and others were frustrated. Mr. Eleazer said he went over the history of the pump station, the odor issues, and what has been done to date to resolve them. He stated that there is evidence of hydrogen sulfide problems where it has degraded the concrete pipes. The OJRSA has repaired manholes and relined the pipes, but this does

not reduce odor issues. The OJRSA has been working with SL&W on what to do, as by the time the wastewater gets to the OJRSA lines, it is already septic and odorous.

One of the residents at the meeting suggested fining the City of Seneca \$1,000,000 for this issue, but the OJRSA cannot do that. SL&W hired an engineering firm (Garver) to perform a study to find a solution to the problem. The study was completed, and SL&W is working now with Garver's guidance to resolve this. Meanwhile, the OJRSA installed some odor loggers in the manholes to detect hydrogen sulfide levels.

Mr. Lindsay handed out two (2) odor logger reports (made a part of these minutes) to the committee. The average for the first reading of September 4, 2024 through September 11, 2024 was 60.22 parts per million (PPM) with a maximum of 219 parts per million. The average for the second reading of September 11, 2024 through October 15, 2024 was 24.07 parts per million with a maximum of 222 parts per million (PPM). Mr. Lindsay stated that the level rises when the sodium hypochlorite feed is running out, but something happened at the beginning of the month, as it started reducing. Mr. Lindsay asked if SL&W is tracking what they are doing, because it would be good to know to compare to the activity on the odor logs. Mr. Lindsay added that 50 PPM can be deadly.

Mr. Eleazer reported that the 222 PPM on the report is not in the atmosphere but is in the manhole. The OJRSA hung an odor logger outside to see what the atmosphere actually is. Mr. Lindsay added that the hanging odor logger measures in parts per billion (PPB). Mr. Eleazer spoke a bit about how, after one of the complaints Mr. Paul Wilkie of SCDES received, Mr. Wilkie had walked the line and did not smell anything until he was near the Davis Creek Road 1 Pump Station and the pumps kicked on.

Mr. Lindsay stated that the summary from Garver recommended odor loggers being placed in manholes. These loggers have been ordered and should arrive in a couple of weeks. The OJRSA will bill the City of Seneca for them.

Mr. Faires stated that SL&W had to back off feeding chemicals during the study, but they are following Garver's game plan now. Mr. Lindsay replied that the levels should be looked at before Garver's plan, as the levels were minute due to so much chemical feeding. The OJRSA should get documentation of what the feeding level was and what it is now.

Mr. Eleazer spoke about a Wexford homeowner submitting a Freedom of Information Act (FOIA) request to the OJRSA for information regarding the situation. This owner requested that someone from the City of Seneca contact her to let her know what is going on. Mr. Eleazer said he will provide the contact information.

The Director mentioned that fats, oils, and grease (FOG) being in the wetwells on the line, especially near Epoch, may be part of the issue and may need to be cleaned out more often. Mr. Lindsay requested that SL&W make sure to clean the lines to make sure there is no grease in them. Mr. McLane replied that this is on a schedule to do. Mr. Faires thanked Mr. Lindsay for the odor logger graphs.

- 4. Sewer Use Regulation Revision Status Update The Sewer Use Regulation (SUR) revisions were submitted to SCDES on October 8, 2024. The OJRSA has not received confirmation that SCDES has received them yet. Mr. Eleazer said he emailed SCDES yesterday to ask but received an automatic reply that the person is out of the office until later this week.
- 5. Miscellaneous (If Any) The OJRSA is requesting the Federal Emergency Management Agency (FEMA) to assist in the storm cleanup and damage costs. The bulk of the issues is debris removal on the rights-of-way. Mr. Eleazer stated he spoke with Mr. Tom Vollmar of KCI Technologies to help assist with the FEMA documents, as this is not an easy process. The OJRSA wants to make sure to do them correctly. Mr. Dial stated that the City of Seneca is just starting to get FEMA money from the tornado damage from April 2020. Mr. Faires replied that Seneca had received some of it but not all.

## G) Upcoming Meetings:

- 1. Finance & Administrative Committee Tuesday, October 22, 2024 at 9:00 a.m.
- 2. Board of Commissioners Monday, November 4, 2024 at 4:00 p.m.
- 3. Operations & Planning Committee Wednesday, November 20, 2024 at 8:30 a.m.
- 4. Sewer Feasibility Implementation Ad Hoc Committee To Be Determined As Mr. Faires was not at the October board meeting, he asked if the Ad Hoc Committee members had been identified. Mr. Eleazer replied no and that Ms. Angie Mettlen of W.K. Dickson is vetting them now. They should be identified at the November board meeting.
- **H)** Adjourn The meeting adjourned at 9:49 a.m.

Notification of the meeting was distributed on October 11, 2024 to *Upstate Today*, *Anderson Independent-Mail*, *Westminster News*, *Keowee Courier*, WGOG Radio, WSNW Radio, City of Seneca Council, City of Walhalla Council, City of Westminster Council, Oconee County Council, SC DHEC, <u>www.ojrsa.org</u>, and posted at the OJRSA Administration Building.

# **Operations & Planning Committee Meeting**

OJRSA Operations & Administration Building Lamar Bailes Board Room October 16, 2024 at 8:30 a.m.

## Agenda

- A. Call to Order Bob Faires, Committee Chair
- **B. Public Session** Receive comments relating to topics on this agenda. Session is limited to a maximum of 30 minutes with no more than 5 minutes per speaker.
- C. Presentation and Discussion Items [May include Vote and/or Action on matters brought up for discussion]
  - Update on current projects (Exhibit A) Chris Eleazer, Director
- D. Action Items to Recommend to the Board for Consideration
  - None
- E. Executive Director's Discussion and Compliance Concerns Chris Eleazer, Director
  - 1. Environmental and regulatory compliance
  - 2. Satellite Sewer System Corrective Action Plans
  - 3. Wexford/Davis Creek Road odor and hydrogen sulfide issues
  - 4. Sewer Use Regulation revision status update
  - 5. Miscellaneous (if any)

#### F. Committee Members' Discussion – Bob Faires, Committee Chair Discussion can be related to matters addressed in this meeting or for future consideration by this or another Committee. Voting is not permitted during this session.

- G. Upcoming Meetings All meetings to be held in the Lamar Bailes Board Room unless noted otherwise.
  - Finance & Administration Committee October 22, 2024 at 9:00 a.m.
  - Board of Commissioners November 4, 2024 at 4:00 p.m.
  - Operations & Planning Committee November 20, 2024 at 8:30 a.m.
  - Sewer Feasibility Implementation Ad Hoc Committee *Meeting date, time, and location to be determined at November Board of Commissioners meeting*
- H. Adjourn

# **Oconee Joint Regional Sewer Authority**

# **OCONEE JOINT REGIONAL SEWER AUTHORITY**

#### Finance & Administration Committee October 22, 2024

The Finance & Administration Committee meeting was held at the Coneross Creek Wastewater Treatment Plant.

Commissioners that were present:

- Seat 5 (Walhalla): Celia Myers, Chair
- Seat 2 (Seneca): Scott Moulder
- Seat 4 (Seneca At-Large): Marty McKee
- Seat 8 (Westminster): Kevin Bronson

Commissioners that were not present:

• None. All Commissioners were in attendance.

OJRSA appointments and staff present were:

- Lynn Stephens, Secretary/Treasurer to the Board and Office Manager
- Chris Eleazer, Executive Director

Others present were:

• None

A) Call to Order - Ms. Myers called the meeting to order at 9:09 a.m.

B) Public Session - None.

## C) Presentation and Discussion Items:

Update on Current Projects (Exhibit A) – Mr. Eleazer distributed the list of projects to the committee (made a part of these minutes). He reported that the OJRSA should receive the Permit to Operate for the Sewer South Phase II project by the end of the month. The OJRSA is waiting on the as-built drawings to be turned over from the contractor to the engineer and onto the SC Department of Environmental Services (SCDES).

## D) Committee Action Items:

Review September and Year-to-Date Financial Reports (Exhibit B) – Mr. Bronson asked how the OJRSA made out, from an expense perspective, from Hurricane Helene. The Director replied that the bulk of the cost is from approximately two hundred (200) downed trees on the rights-of-way. There may be a couple of pump station motors that were damaged due to electrical issues during the storm. Mr. Eleazer said the motor issues will probably be insurance matters first before they go to the Federal Emergency Management Agency (FEMA) for reimbursement; however, the debris removal will probably be an OJRSA expense.

Mr. Eleazer added that knowing what the City of Seneca went through making sure their documentation for FEMA reimbursement was just right, he realizes the OJRSA will need assistance on any FEMA documentation. The OJRSA hired a contractor to do an aerial assessment of the system to help with this. The OJRSA does not know at this time if the debris removal can be done

in-house or will have to be contracted out. The first focus of removal will be the area around the Rehabilitation project, as they will be starting around the first of the year.

Mr. McKee asked if there would be any federal money coming in for the damage. Mr. Eleazer and Mr. Moulder both replied that the OJRSA will have to apply for a FEMA reimbursement.

Mr. Moulder stated that the amount spent outside of insurance should be determined prior to applying to FEMA. Mr. Eleazer replied how the OJRSA previously had some reimbursement claims in the past, and FEMA personnel came up from Columbia, SC to help the OJRSA navigate through the process; however, there were a couple other claims that the OJRSA was eligible for, but the minor amount wasn't worth going through the red tape. This situation may be worth the effort to investigate.

*Mr.* Bronson made a motion, seconded by *Mr.* Moulder, to approve the September 2024 Financial Reports. The motion carried.

#### E) Action Items to Recommend to the Board:

Approve Pay Classification to Comply with FLSA Changes Regarding Non-Exempt Compensation
as Recommended by FGP (Exhibit C) – The Director reported he brought this up a month ago, but
he wanted to move forward as personnel changes are often unexpected, and he wants to be
prepared. He stated that should the Office Manager position open in the future at the lower end
of the pay scale, posting of the position would be delayed, as the board would have to approve this
at that time.

Effective January 1, 2025, employees earning below \$1,128 per week (or \$28.20 per hour for a 40-hour work week) are to have their salaries raised to remain exempt or be reclassified as non-exempt and pay overtime.

Mr. Moulder asked if this was just based on the January change; Mr. Eleazer replied yes. Mr. Moulder asked if the Committee was supposed to approve each of the positions; Mr. Eleazer replied everything has already been approved, and nothing has changed in the compensation levels. The only approval is to change the Office Manager position from Exempt 1 to Non-Exempt 5 (which the OJRSA already has a slot for, for the Lab Analyst, Water Reclamation Operator III, and Collection System Tech III). Mr. Moulder said this is the only position that is affected by the FLSA change; Mr. Eleazer replied yes.

Mr. Bronson made a motion, seconded by Mr. McKee, to approve the pay classification to comply with FLSA changes regarding non-exempt compensation as recommended by FGP. The motion carried.

#### F) Executive Director's Report and Discussion:

- Miscellaneous (If Any) None.
- G) Committee Members' Discussion Mr. Bronson asked if Ms. Angie Mettlen of WK Dickson is going to provide a slate of potential Ad Hoc Committee members for the Member Cities to select from at the November board meeting. Mr. Eleazer replied yes, that is how he believes it will work that the Member Cities will pick. Mr. Eleazer said he is aware that Ms. Mettlen contacted each of the selected candidates, and he personally heard from a couple of them asking for more information or declining by saying it was too much for them to take on at this time.

Mr. Bronson said that each Member City has different perspectives, and he said that Mr. Scott Parris will be Westminster's choice for the seat, as Mr. Parris has been around for a long time. Mr. Moulder said Mr. Scott McLane will be Seneca's choice for the same reason of years of knowledge and that Ms. Mettlen stated she didn't want an administrator on the committee. Mr. Eleazer added that Ms. Mettlen saw advantages to not having some of the discussions in the open, but if there were a quorum on the committee, it would have to be a public meeting.

Mr. Moulder asked Ms. Myers if she was willing to be a representative of the administration on the committee. Ms. Myers was okay with this.

Mr. Bronson said he had nominated Katherine Amidon, but Ms. Amidon declined, and he also nominated another who said he didn't have time. He asked if Ms. Mettlen mentioned anything about not having enough candidates to fill the seats. Mr. Eleazer does not currently know of any issues. Mr. Bronson asked the Director to let him know if this issue arises.

#### H) Upcoming Meetings:

- Board of Commissioners Monday, November 4, 2024 at 4:00 p.m.
- Operations & Planning Committee Wednesday, November 20, 2024 at 8:30 a.m.
- Finance & Administration Committee Tuesday, November 26, 2024 at 9:00 a.m.
- Sewer Feasibility Implementation Ad Hoc Committee To Be Determined

The Committee discussed how the next Finance & Administration Committee meeting will be the Tuesday before Thanksgiving, and they expressed a desire to not have the meeting. Mr. Eleazer stated that he didn't know if there would be anything to discuss at that time, so the meeting could be cancelled. Ms. Myers asked if the committee wanted to cancel the meeting right now if there is nothing else to discuss but the financial reports, and the reports could be passed to the board to approve.

Mr. Moulder made a motion, seconded by Mr. Bronson, to cancel the November F&A Committee meeting if there are no items to discuss and to pass the financial reports to the full board to approve in the December meeting. The motion carried.

I) Adjourn – The meeting adjourned at 9:27 a.m.

Notification of the meeting was distributed on October 11, 2024 to *Upstate Today, Anderson Independent-Mail, Westminster News, Keowee Courier,* WGOG Radio, WSNW Radio, City of Seneca Council, City of Walhalla Council, City of Westminster Council, Oconee County Council, SC DHEC, <u>www.ojrsa.org</u>, and posted at the OJRSA Administration Building.

# **Finance & Administration Committee Meeting**

OJRSA Operations & Administration Building Lamar Bailes Board Room October 22, 2024 at 9:00 a.m.

## Agenda

- A. Call to Order Celia Myers, Committee Chair
- **B. Public Session** Receive comments relating to topics on this agenda. Session is limited to a maximum of 30 minutes with no more than 5 minutes per speaker.
- C. Presentation and Discussion Items [May include Vote and/or Action on matters brought up for discussion]
   Update on current projects (Exhibit A) Chris Eleazer, Director
- D. Committee Action Items
  - Review September and Year-to-Date Financial Reports (Exhibit B) Chris Eleazer, Director and Lynn Stephens, OJRSA Secretary/Treasurer and Office Manager
- E. Action Items to Recommend to the Board
  - Approve pay classification to comply with FLSA changes regarding non-exempt compensation as recommended by FGP (Exhibit C) – Chris Eleazer, Director
- F. Executive Director's Report and Discussion Chris Eleazer, Director
  - Miscellaneous (if any)
- **G.** Committee Members' Discussion Committee Chair Discussion can be related to matters addressed in this meeting or for future consideration by this Committee. Voting is not permitted during this session.
- H. Upcoming Meetings All meetings to be held in the Lamar Bailes Board Room unless noted otherwise.
  - Board of Commissioners November 4, 2024 at 4:00 p.m.
  - Operations & Planning Committee November 20, 2024 at 8:30 a.m.
  - Finance & Administration Committee November 26, 2024 at 9:00 a.m.
  - Sewer Feasibility Implementation Ad Hoc Committee *Meeting date, time, and location to be determined at November Board of Commissioners meeting*
- I. Adjourn

## FY2025 RESTRICTED FUND PROJECTS

Row		
#	Restricted Fund Projects (Project Manager)	Notes
	Consent Order SSES/Rehab 2022 CONSTRUCTION	Carryover from FY 2023 OJRSA CONG: \$40,000. 5/20: COMPLETE. Used \$6,785.98 of budgeted/approved Owner Contingency for additional concrete
A	SCIIP MATCH (CE, KL)	work on final repair.
в	Consent Order SSES/Rehab 2023 ENGINEERING	PO/Contract Amount includes \$700,000 owner contingency 7/29: PF cannot do review because too complex due to construction aspect of document.
В	SCIIP MATCH (CE, KL)	They will forward to another atty that specializes in this. 8/2: Waiting for construction contract review by attorney before project can go to bid.
с	Consent Order SSES/Rehab 2023 CONSTRUCTION	8/14: Advertised on SCBO with approx base bid of \$4.0 million. Bids to be opened 9/24. 10/7: Board approved award and pre-approved \$700,000
	SCIIP GRANT (CE, KL)	owner contingency for change orders. <u>All is pending RIA approval</u> .
D	Dewatering Equipment Replacement ENGINEERING	8/6: Can make a formal request to RIA once we have some costs in hand for the project. We can do early procurement per T Vollmar with conditions.
	SCIIP MATCH (KL)	Hopefully Harper will have costs back on some of the VE options discussed last week. 9/17: Waiting on CIPP bid project to determine amount of funds
E	Dewatering Equipment Replacement	available. 10/1: Project down to ~\$3.6M after VE. Waiting to determine how much is remaining on Project 2024-08 to verify that we will be able to
	CONSTRUCTION SCIIP GRANT (KL)	fund this project.
F	Exit 4/Oconee Manufacturing Park ("Sewer South	8/19: Received revised plans for route and will review soon. 8/29: Provided comments. 9/23: Received revision. Need to begin working on an
<b>_</b>	Phase III") PS/Sewer ENGINEERING (CE)	agreement. 10/8: Approved all plans. Need info from T&H. Sent Lee Brackett email for info.
G	Flat Rock PS Replacement ENGINEERING/CONST	9/3: Rain over weekend caused washing. Contractor to better stabilize area. 9/17: Cove/KCI have identified some solutions for stabilization. 9/18:
	SVCS SCIIP MATCH (CE)	Received SCDES Permit to Operate. Need record drawings, electronic files, site stabilitation completion, etc. 10/10: Received final engineering
н	Flat Rock PS Replacement <u>CONSTRUCTION</u> SCIIP	invoice. 10/14: Received GIS information. COMPLETE. Retained approx. \$26,252 for PM and inspection funds not used, making OJRSA funding
	GRANT (CE)	amount \$151,548.
	Oconee County & Western Andeson County Sewer	To continue under #2022-01 (Fair Play and Townville Area Sewer Basin Plan). 6/26: Provided W&S comments on draft. Have received 1/2 of "grant"
	Master Plan (CE)	for study. 7/1: Presentated to Board and report finalized and put on website. 8/5: Board adopted. <b>COMPLETE</b> .
L	Regional Sewer Feasibility Study RIA GRANT (CE)	8/5: Presented to Board as draft. Needs to be finalized. Will be considered 9/9. 9/9: Board approved. Next phase is implementation. This will be
		tracked in FY2025 O&M Projects. <b>COMPLETE</b> .
к	Sewer South Phase II ENG/INSPECT SVCS COUNTY	6/27: Change Order #3 for \$18,720.35 (mandrel testing) 7/25: Change Order #4 signed deduct of \$129,009 (materials). 8/20: Both pump stations
	FUNDED (CE)	passed drawdown testing with DES present. 9/25: Change Order #5 signed deduct of \$12,997.78 (materials). 10/14: To perform walkthrough with
L	Sewer South Phase II CONSTRUCTION	D&F tomorrow. 10/18: D&F sent email to Moorhead with punchlist items to complete. It is important for them to receive the record drawings from
	EDA/RIA/COUNTY FUNDED (CE)	the contractor in order to receive permit to operate.
м	Martin Creek PS Basin Trunk Sewer CCTV Engineer	7/17: Installed 2 flow meters in MC system. Will install 3 more soon. 8/6: All meters installed. Took out Flodar and put in A/V meter. 10/14: All that
	Review (KL, CE)	is remaining is smoke testing by OJRSA staff.
N	Southern Westminster Basin Trunk Sewer CCTV	10/14: OJRSA has finished all Level 1 manhole inspections and will begin smoke testing soon.
