Read AND initial the following, then sign below on the Applicant Signature line:

_____ I do hereby understand that monthly utility bills are due as indicated on the respective bills. I, or we, understand that I, or we, should not tamper with any City metering, equipment, or other facilities and that any attempt to bypass or otherwise defeat the metering devices will result in prosecution under the laws of the State of South Carolina.

_____ I further understand that payment by any check that may be returned by the banking institution for non-sufficient funds or a closed account may result in a prompt disconnection of utilities without additional notification from the City. I understand that should my services be disconnected, whether for non-payment or at my request, I, or we, am/are responsible for all reasonable expenses incurred in the collection efforts including attorney fees, court fees, and/or collection fees.

_____ I further understand that my initial deposit may be increased according to my payment history and an assessment of the associated risk for non-payment.

_____ I understand that I am responsible for the metering device and all City Property and Damages to City Property will incur fees to my account in accordance with City Code 50.02, inclusive.

_____ I understand the City recommends that I have my own water shutoff to prevent damages to meter setter incurring charges if damaged. Pressure Reducing Valve, and Backflow devices are the customers responsibility for maintenance, repair and testing.

_____ I have read the above disclosure and understand it as it is written and acknowledge copy of the same.
